UTAH NAME

Utah's Chapter of the National Association of Multicultural Education

2017 Annual Conference

Building Bridges: Engaging Our Communities & Families For Student Success

Saturday, February 25, 2017
Glendale Middle School
1430 Andrew Ave, Salt Lake City, Utah

Join educators, students, scholars and practitioners in examining the power of educational bridges between schools, families and communities.

Keynote Speaker
Dr. Tara Yosso

Professor of Education at the University of Michigan focusing on frameworks of critical race theory and critical media literacy to examine educational access and equity, emphasizing the community cultural wealth students of color bring to school.
